

Privacy Policy

This privacy policy sets out how Witter Technologies uses and protects any information that you give to us when you use this website.

Witter Technologies is committed to ensuring that your privacy is protected. Should we ask you to provide certain information by which you can be identified when using this website, then you can be assured that it will only be used in accordance with this privacy statement. We may change this policy from time to time by updating this page. You should check this page from time to time to ensure that you are happy with any changes.

We take your privacy seriously. The following privacy statement covers the Witter Technologies web site at <http://wittertechnologies.com> Links to other web sites are not covered by this policy and we take no responsibility for external web sites accessed through the Witter websites.

Except where we specifically ask for information from you, this web site does not collect or store personal information. We do collect general anonymous technical information such as IP addresses (unique addresses of computers on the Internet) and pages viewed which we use for internal statistical reporting about our web site performance.

We may ask you for personal information if you want to take advantage of specific services that we offer, if you want to register for an event or if you ask to receive our email newsletter. In each case we will use the personal information you provide to deliver the service you have requested. Witter Technologies does not sell or rent data to third parties. We will only send personally identifiable information about you to other people or organisations when:

- We have your explicit permission to share the information
- We respond to court orders or other legal processes
- Where we are required by law to provide information to others

How often we update our privacy statement?

We will update our privacy statement as necessary to ensure that our policies are in line with international regulations, our products and business practices.

What we collect

We may collect personally identifiable information about you, such as your full name, phone number, email address and payment information.

What we do with the information we gather

We require this information to understand your needs and provide you with a better service, and in particular for the following reasons:

- Internal record keeping.
- To operate, maintain, enhance and provide services and information you have requested.

- We may be requested to use the information to comply with the current Laws and statutory obligations.
- We may use the information to improve our products and services.
- We may periodically send promotional email about new products, special offers or other information which we think you may find interesting using the email address which you have provided.
- We process client Data solely in accordance with the directions provided by the applicable Client or User.

How information is stored, secured and processed

Witter Technologies is committed to protecting the security of your personal data. We use a variety of security technologies and procedures to help protect your personal data from unauthorised use or disclosure. We store the personal data you provide on computer systems that have limited access and are in controlled facilities. Your information collected through the Witter Technologies website may be stored and processed in the EU or outside the EU. We may transfer information that we collect about you, including personal information, to affiliated entities.

Data Retention

We only retain the Personal Data collected for a limited period of time as long as we need to fulfil the purposes for which we have initially collected it, unless otherwise required by the law. We will retain and use information as necessary to comply with our legal obligations, resolve disputes, and enforce our agreements.

Use of Data

- When you sign up to our email subscription list, we will store your data on our database.
- We will send you regular newsletters, information on specific and relevant subjects.
- We will only send you information if we have expressed permission and we do not share user data with third parties outside the Witter Technologies unless requested by Law.
- We gather statistics around email opening and clicks using industry standard technologies to help us monitor and improve our e-newsletter.

By providing your personal data, you agree to the storing and processing of your data.

We will not sell, distribute or lease your personal information to third parties unless we have your permission or are required by law. We may use your personal information to send you promotional information about third parties which we think you may find interesting if you tell us that you wish this to happen.

Controlling your personal information

You may request details of personal information which we hold about you under the General Data Protection Regulation (GDPR).

Contact us at any time to:

- Request access to information that Witter Technologies has about you. You have the right to request access to the information we have on you. We will make sure to provide you with a copy of the data we process about you. In order to comply with your request, we may ask you to verify your identity. We will fulfil your request by sending your copy electronically unless the request expressly specifies a different method. For any subsequent access request, we may charge you with an administrative fee.
- Correct or delete any information that Witter Technologies has about you. If you believe that the information we have about you is incorrect, you are welcome to contact us so we can update it and keep your data accurate. Any data that is no longer needed will be deleted. If at any point you wish for Witter Technologies to delete information about you, you can simply contact us at the addresses below.

If you have any additional questions about Witter Technologies' collection and storage of data, please contact us at:

Legal Basis for processing Data

Consent

In specific situations, we can collect and process your data with your consent (for example when you tick a box to receive email newsletters)

Security

We are committed to ensuring that your information is secure. In order to prevent unauthorised access or disclosure we have put in place suitable physical, electronic and managerial procedures to safeguard and secure the information we collect online.

Cookies

This site uses cookies. If you continue browsing this site, we'll assume you're happy with our use of cookies.

Links to other websites

Our website may contain links to enable you to visit other websites of interest easily. However, once you have used these links to leave our site, you should note that we do not have any control over that other website. Therefore, we cannot be responsible for the protection and privacy of any information which you provide whilst visiting such sites and such sites are not governed by this privacy statement. You should exercise caution and look at the privacy statement applicable to the website in question.

Website Disclaimer

The information contained in this website is for general information purposes only. The information is provided by Witter Technologies and whilst we endeavour to keep the information up-to-date and correct, we make no representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability, suitability or availability with respect to the website or the information, products, services, or related graphics contained on the website for any purpose. Any reliance you place on such information is therefore strictly at your own risk.

In no event will we be liable for any loss or damage including without limitation, indirect or consequential loss or damage, or any loss or damage whatsoever arising from loss of data or profits arising out of or in connection with the use of this website. Through this website you are able to link to other websites which are not under the control of Wilton Group. We have no control over the nature, content and availability of those sites. The inclusion of any links does not necessarily imply a recommendation or endorse the views expressed within them. Witter Technologies makes every effort to ensure that information provided on our web site is accurate. However, we cannot guarantee this and we accept no liability for any information or advice given or published via the web site. Every effort is made to keep the website up and running smoothly. However, Witter Technologies takes no responsibility for and will not be liable for the website being temporarily unavailable due to technical issues beyond our control.
